

CAROL GRACE ANDERSON

INTRODUCTION

Carol Grace Anderson is a national speaker, former Psychology teacher, and best-selling author based in Nashville. Through overcoming her own life challenges along the way, she knows first-hand how to get ...and stay...fired up. Her book, GET FIRED UP WITHOUT BURNING OUT, has been translated into four languages. And her story in CHICKEN SOUP FOR THE COLLEGE SOUL has inspired millions.

But enough about all that stuff. You may find it fascinating that Carol also sang backup with Willie Nelson, Johnny Cash, Roy Clark, Jimmy Buffett, and had a role in a Hollywood movie. Maybe she'll tell us more about that.

We're glad Carol will share her fired-up solutions with us and she has agreed to do a book signing immediately after her program!

So now let's give a rousing welcome to Carol Grace Anderson!
