

KEEP FIRED UP *THROUGH CHANGE!*

Keynote or Workshop
with
Carol Grace Anderson, M.A.

Change is the one thing we can be absolutely sure of! In fact, things are changing faster than ever. How do we deal with it? How can we keep charged up through it all? Carol Grace Anderson, National Speaker and author, has come up with a powerful yet easy formula that really works. This is a vital program that will give you information that you can put to use immediately.... and see powerful results now!

*If you think change is stressful...
try NOT changing!*

Your audience will leave with the tools to:

- Break through the biggest barrier to change.
- View change with a new perspective.
- Keep fired up through the change process.
- Apply Carol's exclusive "3-Step Change Formula".
